

Dear Friend of UHC,

I would like to take this opportunity to thank you for your long-term commitment by supporting the UHC-Hub of Opportunities, “Plentiful Harvest Food Rescue program,” which allows us to deliver the highest quality of services to those experiencing hardship in Windsor-Essex County.

I would like to extend an invitation to you, your friends, and your family to join us at UHC’s 9th Annual Plentiful Harvest Gala that will be held on Saturday, September 24, 2022, at St Clair Centre for the Arts. Join us for a night of celebration which will include wine, appetizers, a decadent dinner, raffles, and entertainment.

We turn to individuals like yourself that believe in our mission to help those we serve build a more sustainable, brighter and food secure future. The reality is hunger exists for those living in Windsor-Essex County, with the rising cost of living the need to access healthy, affordable food has grown exponentially, and those in need turn to UHC’s Plentiful Harvest Food Rescue program to get through these difficult times.

The Plentiful Harvest Food Rescue Program has rescued **25 million pounds of nutritional food** since inception in June of 2012, that would have otherwise gone to waste. This healthy, nutritious produce is brought to the Leamington Regional Food Hub where it is then sorted and packaged into veggie hampers and distributed to food banks throughout Windsor Essex County. Since May of 2021, the LRFH has **prepared 53,200 veggie hampers and served 148,562 children and their families** who would otherwise go without. This produce is also used to make nutritious homemade soup through our Farm to Food program, which has provided **over 2.8 million servings of soup** since inception of May of 2019.

UHC has dedicated itself to giving our clients the gift of food during times of hardship, however, as the demand increases, we have struggled to keep up, and we cannot continue to do so without your support. Now, more than ever, we as an organization, those we serve, and the Windsor-Essex Community, need your help. Without your assistance we cannot continue to rescue this nutritional food and put it on the plates of those who are struggling to know where their next meal is coming from.

This last year has been difficult for many of us as we all have been faced with a unique set of challenges, however the most vulnerable have been impacted the most during these unprecedented times. We ask you to join us at our Annual Plentiful Harvest Gala to celebrate creating a future where no one goes hungry. None of this is possible without the support of people such as yourself.

Once again, thank you for your past and continued support.

Gratefully,

June Muir, CEO
